Approval of prior Budget Meeting Minutes

Alexander Eynis made a motion to approve the Budget Adoption meeting minutes of November 30, 2022. Jean-Paul Di Marzio seconded the motion, which was unanimously approved.

Vote on Resolution of the Board for Online Voting

Alexander Eynis reported that for a unit owner to participate in future online voting, the "Consent Form" must comply with the requirements of Florida law, which is called identity identification. He added that it was an association's responsibility to affirm and authenticate the validity of a unit owner's identification and noted the following changes:

1. The email address matches a unit owner's email address for a unit as registered with the management office.
2. The mobile phone number matches a unit owner's mobile phone number for a unit as registered with the management office.
3. Agreement to provide the management office with an unexpired government issued photograph identification to validate identity and signature.

Alexander Eynis stated that a completed and validated "Consent to Participate in Online Voting Form" will only be required once and remains valid for as long as an owner owns a unit, or another individual is designated to vote for a unit. He added that all old online voting certificates in the

association's records will be voided because they do not comply with Florida law. The proposed new resolution will take effect upon approval by a vote of directors.

Alexander Eynis made a motion that all existing association online voting certificates are voided. The motion was seconded by Jean Paul DiMarzio and approved unanimously. Alexander Eynis made a motion to approve the new online voting resolution and certificate as presented. Jean Paul DiMarzio seconded the motion, which was unanimously approved.

Alexander Eynis stated that the following protocol is to be added to the meeting minutes regarding acceptance of and validation of Consent to Online Voting forms.

1. The management office will document who provided the online voting certificate.
2. The management office representative who received the online voting certificate is documented.
3. The management office will document the date when the online voting certificate is received.

Vote on Adoption of the 2023 Operating Budget

Alexander Eynis presented a recap to unit owners in attendance of the current financial positions of the association, which included a review of the financial statements for the period ending October 31, 2023. He highlighted and referenced the reserves balance and condominium projects paid from reserve funds without a special assessment.

Alexander Eynis also highlighted and reported on the 2021 special assessment balance which contributions are made by two groups of owners; those who paid in full and those who pay monthly through 2027. The second group represents approximately two and a half million dollars still to be collected. He noted that upon completion of the exterior concrete renovation project, he anticipates a surplus of special assessment funds of over \$1M, which most likely will be added to increase building reserve funds.

Alexander Eynis also highlighted the year-to-date operating expenses surplus of \$49,457 and noted that the true surplus would have been much higher at approximately \$400,000 if it were not for repairs, maintenance, and improvements invested in the building of over \$726,000, and paid from the operating budget, which otherwise would have been paid from reserve funds.

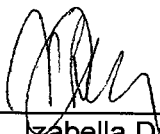

Alexander Eynis reviewed the proposed 2024 operating budget and highlighted that property insurance increased to \$2,319,008, which is approximately 40% of the association's budget. He added that another factor contributing to the budget increase is the national inflation rate and full reserves contributions.

After questions-and-answers from unit owners on the budget, Alexander Eynis made a motion to approve the association's 2024 fiscal operating budget as presented with a 9.77% increase in maintenance fees. The motion was seconded by Joseph Behar and unanimously approved.

Adjournment:

Joseph Behar made a motion to adjourn the meeting at 9:47 p.m. Jean-Paul Di Marzio seconded the motion, which was unanimously approved.
